In order to expedite the prior authorization process, please fax copies of the patient's most recent progress notes and lab work. Please include: CBC, Chemistry, HCV Viral Load, HCV Genotype, Fibrosis Score. For Medicaid patients, include Drug and Alcohol Screenings (within 30 days.)

Dispense As Written (no stamps) **Date** **Substitution Permitted** (no stamps) **Date**

1. In order for a brand name product to be dispensed, the prescriber must write "Brand Necessary" or "Brand Medically Necessary" or any required state-specific language.
2. By signing this form, you are authorizing the pharmacy and its representatives to act on your behalf to obtain prior authorizations for the prescribed medication(s). We will also pursue available copay and financial assistance on behalf of your patients when available.
3. The pharmacy can only accept faxed prescriptions directly from a prescriber's office.
4. Prescribers must comply with any of their state-specific prescription requirements.
